

LAFAYETTE WEEKLY

September 23, 2022

Dear Friends & Families,

I want to thank everyone who has been participating in Drop & Drive and those of you who have been making sure to leave the front of Lafayette clear of cars for morning arrival. Arrival has been going smoothly and I appreciate your assistance in helping make that happen.

Lafayette's Back to School Night is Thursday, September 29th! This is a great opportunity to meet your child's teacher and learn how you can best support your child at the start of their educational career.

Remember, a connection between home and school is vital to your child's success, and this is a great night to begin building that relationship.

Occupational Therapy Assistant students from RVCC came to Lafayette today in support of Backpack Awareness Day. Students received a demonstration on the proper way to wear a backpack and were given information that detailed proper backpack weight so as to avoid causing harm to their posture. Be sure to look for the handouts in their backpacks this afternoon.

With Fall officially underway, I hope you take time this weekend to enjoy some outdoor activities with those you love.

Sincerely,
Ms. Clarke
